Dear Members

As covid restrictions are ever changing and evolving in the greater Sydney region, I write to inform you that covid safe practices will be adhered to on Saturday 15th May while the clubs special General Meeting is conducted.

The covid safe practices adhered to on the day will be followed in alignment with government expectations and regulations put in place to ensure the safety of all persons in attendance, which will include but is not restricted to the 2 square meeting rule per person, for all hospitality venues and the use of QR Codes for signing in when entering the club.

Thank you for your co-operation

Anthony MacAlpine
General Manager.
